

To Editors of *Journal of Business and Economic Statistics*:

Please consider our paper, “Recalculating...: How Uncertainty in Local Labor Market Definitions Affects Empirical Findings,” for publication in your journal.

We would like to note that all the code used for this paper is on a GitHub repository, which we mention in footnote 16 on page 17 in the unblinded version of the paper.

Additionally, we omitted our disclaimers from the blinded version, but we must mention here that the analysis, conclusions, and opinions expressed herein are those of the authors alone and do not necessarily represent the views of the U.S. Census Bureau or the Federal Deposit Insurance Corporation. All results have been reviewed to ensure that no confidential information is disclosed, and all data used in this paper is public use.
